Pancreatic Cancer Ireland

Thank **YOU!**

Thank you for choosing to raise funds for Pancreatic Cancer Ireland. As a charity that is run voluntarily we greatly rely on the generosity and efforts of the wonderful individuals who fundraise on our behalf.

As founders, we know the devastating impact this disease has on individuals and families. That's why your decision to support us matters so deeply. Your efforts will help to drive awareness, generate vital funds, and push for long over-due change that will save lives.

As an organisation with our sights set on making a significant impact, we are aware of the vast amount of work ahead of us. Your contribution will play a vital role in achieving our mission. With your support, we are closer to seeing the change that people with pancreatic cancer and their families so urgently need.

With heartfelt gratitude,
Rachel Duquesnois, Niall Rochford and Pamela Deasy
Co-Founders and Board of Directors, Pancreatic Cancer Ireland
